NEWS RELEASE

Maskwacis Cultural College is pleased to announce the operations of a General Equivalency Diploma (GED) testing site. This is a very special day as we honor our "nistameymahkanak" educational visions and dreams for our future generations. Maskwacis Cultural College sends great gratitude to PEACE HILLS GENERAL INSURANCE who donated the brand new computers to make this possible.

Maskwacis Cultural College is now a regular testing site, however to further this endeavor MCC decided to move forward with offering online testing. With this capability MCC can offer online registrations and bookings with year round testing dates. Maskwacis Cultural College physical site is complete and ready for viewing. MCC staff are currently training to deliver the online testing, however paper copy tests for a General Equivalency Diploma (GED) can be immediately administered. If you would like to obtain further information please don't hesitate Derek Fink, Adult Learning Education Coordinator..

A special thank you to our sponsors and partners in making this happen for our First Nations of Maskwacis.
