To All Current and New Students:

## Re: Maskwacis Cultural College Tuition Fee Increase

This letter is to inform you that MCC will be increasing the tuition fees for all programming beginning September 2020. As you are aware, MCC has maintained the same rates for more than fifteen (15) years however, this unprecedented COVID 19 pandemic has challenged our institution to operate utilizing online learning modalities.

The Maskwacis Cultural College Board of Governors approved a six (6%) percent increase in tuition. I have attached an updated cost sheet for your review.

I look forward to continued pursuance of your educational goals at Maskwacis Cultural College.

If you have any questions, please feel free to contact me directly.

Respectfully,

Dr. Claudine Louis  
President
